*Ad Majorem Dei Gloriam  
To the Greater Glory of God*

Friday 19<sup>th</sup> September 2025 Issue: 4

It was wonderful to have our new Rudiments class lead our first Mass of the year. This was a Mass to celebrate the exaltation of the Holy cross. Members from all classes presented their class crucifix to Father Rob who blessed them and reminded us that we can always look to the cross in our classroom and know that God is with us. We also had new altar servers, Nathan and Joseph who confidently assisted Father with the Mass and schola who supported us with our singing. It was truly wonderful to celebrate together.

delicious apple crumble  
(including all the  
chopping and prepping!)**

We are delighted to share an important development that reflects our commitment to spiritual growth and community values. Our new prayer group, "Path Lighters" has been established, which will meet regularly with Mrs O'Rourke. This initiative is designed to provide our pupils with meaningful opportunities for prayer, reflection, and deepening their faith. The group, comprising of Nathan, Jaylen (Rudiments), Tommy, Saffin, Lucas, Arthur (Figures), Elijah, Lucas (Elements), Theo and Romeo (Prep) will encourage and participate in activities that reflect the fundamental principles at the heart of our school community. This represents our ongoing commitment to nurturing spiritual growth and understanding among our pupils. We are confident that this group will encourage active participation and help our pupils engage more profoundly with the Jesuit values that define Loyola.

As a school, each half term, we will focus on a different aspect of Catholic Social Teaching and how we are demonstrating this in our everyday life which in turn will make the world we live in a better place. Our focus for this half term is: **“Care of Creation”**

Pupils who have demonstrated that they are upholding their responsibilities are:  
**Niall (Prep):** For sharing a mature understanding of how using fossil fuels is bad for the environment and the future of God's creation. Niall suggests we should be using renewable energy sources such as the wind turbines he saw in Cork, Ireland, to look after God's planet. *Spotted by: Mrs Pringle*  
**Jaylen & Nathan (Ruds):** For planting plants and looking after those in the prayer garden. *Spotted by: Mrs O'Rourke*

A great result for our first football match of the year as we confidently took and maintained the lead against Avon House. Great teamwork boys!

Breakfast club decided to work collaboratively to build the tallest tower they could! Listening was definitely needed to make this work!

Our new Eco Council are ready to help us care for creation: Aaran, Joshua (PP1), Alex, Kieran (PP2), Fiore, Noah (Prep), Elijah, Viaan (Els), Adhveeth, Saffin (Figs), Jaylen, Vivaan (Ruds).

**The Word of the Week was: “self-giving”**  
The boys who have demonstrated this in school are: Isaac Lori (Rec), Aaran (PP1), Noah (PP2), Sehej (Prep), Aidan (Els), Sean (Figs), Jerry (Ruds)
