

News from The School Council

"It made me feel I had accomplished something good as we can help people celebrate a Christmas tradition."
Omar Ruds

As a school, we collected Advent Calendars for Noah's Ark foodbank. The School Council thought of this idea and explained it to the school so that we could collect them and deliver them before Advent begins.

We are proud to say that on Thursday 27th November 2025, the School Council delivered 72 Advent Calendars to Noah's Ark. The helpers were delighted with the delivery and said that it would bring a smile to many families in our community.

The group said prayers for those who will receive these gifts and asked God to support everyone when they are in need.

Thank you to all the families who kindly donated to this cause.

It was very good and made me feel very happy because other children will get advent calendars and that will make them happy. Avi PP2

I felt amazed that we were able to donate so many calendars and happy that we can do something really nice so others don't feel left out. Riya Els

It made me so happy because people were getting things as it made me sad thinking about them not having calendars. Sam PP1

We are still collecting for the foodbank as we know some people rely on us particularly for the holiday period. If you can donate any Christmas goodies or just in general, please bring into school by Friday 12th December.
