*Ad Majorem Dei Gloriam
To the Greater Glory of God*

Friday 6th March 2026 Issue: 22

It has been so lovely to see the sun shining and the boys enjoying being outside. This week PP2 led Mass and told us about St David, the patron saint of Wales. The daffodil is the flower of Wales and they are a sure way to know that Spring is coming!
Mrs K Anthony

HAPPY WORLD BOOK DAY

Reception have been learning about doctors and nurses this week as part of their, 'People who help us' topic. Dr Gorur kindly came to visit to tell us about his work as a doctor. The boys explored different medical tools, asked curious questions and discovered what it takes to be a doctor. It would be wonderful to see if any boys become doctors in the future!

PP1 had a great time at the William Morris gallery. They saw so many artefacts and patterns from his life and even had a go at some themselves. They were so well behaved and a credit to the

Coming up next week...

DAILY

- 7.15 – 8.15am Breakfast Club (**no** need to book)
- 3.15 – 4.15pm Homework Club: Prep – Ruds (Please book)

- 3.15 – 4.15pm Els & Figs hockey training

6th - 12th March

Vikram (Ruds), Rishi (Ruds)

§ Aarav (Figs)

As a school, each half term, we will focus on a different aspect of Catholic Social Teaching and how we are demonstrating this in our everyday lives which in turn will make the world we live in a better place. Our focus for this half term is:

“Community & Participation”

Pupils who have demonstrated that they are upholding their responsibilities are:

Henry (PP1) : For doing his best and being invested into his Beavers group.

Spotted by: Mrs Foster

Loyola Cross Country Team : For taking part in the cross country team. Spotted by: Mr Morah

In STEM club, boys investigated how to make a structure that could hold a ball, using spaghetti and white tac plus created moving monsters.

The Word of the Week was: “belonging”
The boys who have demonstrated this are:
Isaac L (Rec), Gyaan (PP1), Reyan (PP2),
Ayush (Prep), Kian P (Els), Koban (Figs),
William (Ruds)

Els have been exploring how certain solids can be mixed with a liquid to create a solution. From predicting, stirring, observing to recording – we are scientists!
