## HOMEWORK CLUB

At Loyola, we offer **Homework Club** for **Prep, Elements, Figures & Rudiments** from **3:15-4:15pm** costing **£6** a session. Here boys can work independently in a quiet classroom environment with support on hand, if needed.

This is a natural continuation of the school day and ensures that when the boys go home they can make the most of their free time.

It also assists with the **transition to secondary school** where the onus is on the child to organise themselves and take full responsibility for homework.
