

After listening to the boy's very valid feedback, we present to you...

Dream... Design... Do... STEM Club

Making the boys ideas come to life!

Tuesdays after school from 3.15-4:15pm

Dear Parents,

Dream... Design... Do... STEM Club - Prep to Ruds

From Tuesday 8th September 2026 - Tuesday 20th October 2026, the club will run from 3.15-4:15pm. Pick up will be from the main school entrance

At Dream, Design, Do, STEM Club, children are encouraged to **turn their STEM ideas into reality through creativity, problem-solving, and hands-on learning**. The club provides a fun and inspiring environment where children can imagine, design, build, and test their own creations. Whether they are **inventing a new product, creating artwork, constructing models**, every child is supported in **developing confidence, teamwork, and innovative thinking**. Our aim is to nurture curiosity and help children discover that with imagination, planning, and perseverance, their ideas can come to life

The activity is offered at £11.00 per session (including all materials) £77.00

Places are limited!

To guarantee a space for your son payment and form need to be handed in by 4th September via email to ktoor@loyolaprepschool.co.uk or lcampbell@loyolaprepschool.co.uk or drop off in an envelope to the school office marked Dream... Design... Do... STEM CLUB.

All bookings must be paid for in advance. Unfortunately, there can be no refund for non-attendance or cancellation.

To Mrs Toor or Miss Campbell - Art Room or Elements classroom **(Please return by Friday 4th September 2026)**
