Rudiments Class of 2026!

We will miss you!

The final week of term is always a special one, filled with celebrations and memorable events. We began with our KS2 Academy, an evening dedicated to recognising the many talents and achievements of our pupils. This year was particularly special as, for the first time, two brothers addressed the audience. Our Head Boy, Vikram, and our guest speaker, his brother Aditya, an old Loyola boy now studying at Harrow, both gave heartfelt reflections on their time here. The evening also included the presentation of prizes and the announcement of positions of responsibility for the next academic year as our Figures prepare to become Rudiments. I am delighted to announce that Arthur has been appointed Head Boy, with Ethan as Deputy Head Boy. I look forward to working with them both next year. With another successful year, including an outstanding Catholic Inspection, I wish you well and to have a wonderful summer break with family and friends. I, and all the staff, thank you for your ongoing support and look forward to welcoming you back on 2nd September. Happy holidays!
Mrs K Anthony

We are delighted to announce that for 2026 / 2027 the Head Boy is Arthur & Deputy Head Boy is Ethan.

The Hume Scholar is awarded to the pupil in PP2 who has achieved the highest grades in maths & English across the year. This year it was awarded to Nbah. Well done!

Prep boys finished their English topic, Oliver and the Seawigs, and celebrated with their very own 'Night of the Seawigs' competition. The boys made their own creative 'seawig' hats and voted for their favourite. First place was awarded to Raffy and 2nd place to Oscar. All the Seawigs were magnificent, well done boys!

Thank you and farewell to Mis Baker who has been at Loyola for 22 years. I first met her when she worked with my own children when they attended Loyola and then she became my first TA when I joined. We wish her well for retirement and thank her for all the help and dedication she has given to Loyola over the years.

PP2 enjoyed a fun and imaginative writing task in which they wrote persuasive letters to convince the classroom chairs to return after they had gone on strike! They focused on using persuasive language and a range of conjunctions, such as *because*, *so*, and *if*, to strengthen their arguments and link their ideas. The finished letters were full of creativity and convincing reasons – I think they did it and the chairs have agreed to come back!

Elements showed off their creativity by designing an amazing British flag using colourful mosaics! Their Union Jack artwork was a brilliant way to show national pride and cheer on the England team!
