Friday 18th September 2026 Issue: 3

"Rescue Me" was our theme this week as classes chose what to make out of recycled objects – the boys' creativity always amazes me! Well done to everyone who took part and also to Miss Campbell and the Eco Council for organising such a fun challenge!

Rudiments told us about the feast day for the exaltation of the Holy Cross and its symbolism. They reminded us that if we are ever sad or lonely we can look to the cross and always know that Jesus is with us. The boys spoke so beautifully at the service and shared the responsibility even though some were absent and taking part in 11+ examinations. They are a class who certainly help each other. Have a great weekend!

In Geography, PP1 went on a hunt around the school, finding different parts of our school building. They enjoyed using clipboards to tick off different features and will use their experience to draw maps next week!

Rubix cubes are a great way to stimulate your brain and some of our pupils are bringing them into school.

This is a fun way to spend your breaktimes but don't forget to write your name / initials on them! Did you know we also have a Rubix club too?

Well done to Arthur, Arin, Romeo, Leo, Saffin, George, Noah & Albert who have all recently passed their singing exam!
