Loyola PTA Update Summer 2024

What are we doing this for?

As well as aiming to build a sense of community within the school by putting on events both the children their families will love, 100% of the PTA's funds goes into the school, divided between what we call 'Little Projects' and 'Big Projects'.

LITTLE PROJECTS

This year, the PTA has:

- Replaced half the iPads in the school that needed upgrading
- Purchased a 2nd outdoor table tennis table
- Given all the boys a Christmas selection box, easter egg and daffodils
- Purchased (along with PP2) hatching chicks
- Bought new playground equipment including new trucks, foam balls, hoops, throw / toss / catch games sets, table tennis bats, an outdoor chess mat and a large outdoor connect 4, and are looking to purchase even more over the summer

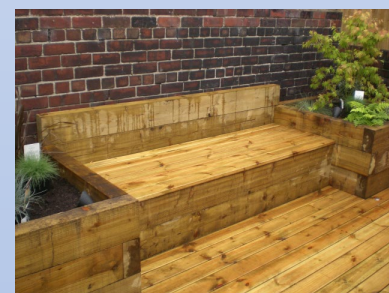

THE BIG PROJECTS!

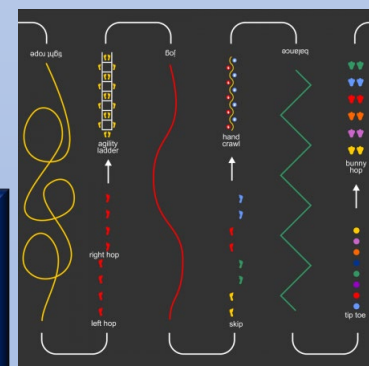

We are saving towards resurfacing the entire lower playground plus repainting it with fun trails, games and activities to ensure a super fun, safe play space for our boys.

We are also looking to replace the worn-out wooden panels surrounding the hard court and finally, creating a brand-new seating and planting area outside of the Reception classroom.

We would love to be able to carry out the playground work this summer, but with estimated costs reaching over £50,000 we need your help!
